Amendment and Explanation to the decision of amendment of the Base-Prospectus

The following main amendments are made to the Base-Prospectus of the Fund and as such hold for all Participants of the Fund:

*Taxonomy Regulation*

The EU Taxonomy regulation entered into force 1 July 2020 and is effective from 1 January 2022. The Taxonomy Regulation provides uniform criteria for companies and investors to determine whether an economic activity is “environmentally sustainable”. It is a classification system (known as a “taxonomy”) which will help investors identify what is, or is not, sustainable.

*Changes of address at the Administrator, Legal Owner and Manager*

The address of Legal Owner and Manager has changed.

*Integration of the Administrator by the Manager*

The Administrator is merged with the Manager on 10 December 2021. The Administrator was since 5 January 2021 a 100% subsidiary of the Manager.
